## Mock Crash

On Monday, April 21, 2008, nearly 1,750 students from Waseca and surrounding schools attended a mock crash held at the Waseca County Fairgrounds. The event was a collaborative effort of many agencies, including the Waseca Police Department, Waseca Police Reserves, Waseca County Sheriff's Office and Posse, along with the Minnesota State Patrol. North Ambulance and the North Helicopter service was utilized. Waseca Fire, Janesville Fire, Morristown Fire and Waldorf Fire Departments also had members participating. Assistance from local physician Dr. Dey was utilized for coroner duties. Both McRaith Funeral Home and Kinder Dennis Funeral Home were utilized as well. The lasting impression that was left as the deceased were placed in body bags and transported away can never be measured.

Many other agencies within the area provided such services as lunch for the many visitors from the city council members and county commissioners, visitors from MADD and other agencies. Waseca County Public Health assisted also. Crashed cars were provided from Bock's towing.

This program is a continuing attempt to help youth make the right decision not to drink and drive. The program is considered as a success if we save one life or help make one person stay off the roads while under the influence.
